The Chathan comes next with 8 per cent. The other rates are 6 and 5 per cent. The other rates are 6 and 5 per cent. The other rates are 6 and 5 per cent. The other rates are 6 and 5 per cent. The cultive state of the New York banks exhibit great prosperity. The highest is that of the Broadway, which pays 4 per cent. The Chathan comes next with 8 per cent. The Chatha

It is said of this same character that on one occasion he took a lighted taper to find his way down stairs without accident, and after getting down brought it back with thanks, leaving himself at the top of the stairs in the dark as at first.

A lady once asked the Abbe de Matignon how old he was. "Why, I am only thirty-two," said he, "but I count myself thirty-three, because a little boy was born a year before I was and died, evidently keeping me back a whole died, evidently keeping me back a whole dividend.

The United States Trust company and the Farmers' Loan pay each 5 per cent. the Union 4 per cent. Some quarterly dividends are large; the Bull's Head bank pays 4 per cent, with 2½ extra; the Parama railroad 6 per cent; the Hartford and New Haven and Fort Wayne respectively 4 and 2½ per cent. The Pacific Mail, which has recently paid a quarterly dividend of 5 per cent, delights the boy was born a year before I was and died, evidently keeping me back a whole dividend.

died, evidently keeping me back a whole dividend.

Year by accident."

It was a Scotchwoman who said that It was a Scotchwoman who said that the butcher of her town only killed half a beast at a time. It was a Dutchman who said a pig had no earmarks except a a shorttall; and it was a British magistrate who, being told by a vagabond that he was not magning to the proposed of the control of the c

boy whose tather was a drunkard and whose mother was a widow.

At a negro ball, in fieu of "Not transferable," on the tickets, a notice was posted over the doer, "No gentleman admitted unless he comes hisself."

An American feeture of holosoft works. An American lecturer of note solemnly said one evening: "Parents, you may have children, or, if you have not, your

> respondent asks whether the battle of Waterloo occurred before only ter the commencement of the Christian era We answer, it did." A Maine editor says a pumpkin in the state grew so large that eight men could stand around it; which statement was only equaled by that of the hoosier who saw a flock of pigeons fly so low that he could shake a stick at them. Those two observing men, one of whom said that he always noticed when he lived through the month of May be

lived through the year, and the other o whom said at a wedding that more women than men had been murried that year, were neither of them Irishmen. The following side out at obvical adver-lsing is by the New York correspondent Clerical advertising has gotten to b are institution with us now-nodays. If pfll doctor wants to obtain notoriety he will obtain a "cortificate" from some fortune is made. The same can be sale of hundreds of nostroms, with long "certificates" appended to their label from "Rev. Dr. So-sand-So." Not long ce, a friend of ours returned from Si

Francisco, bringing twenty or thirty st to him by a notorious speculator the gold city to pre-ent to son clergymen, who would form a conpany to buy the mines at a cost of \$10 present this friend with \$25,000 for er, I will state be has not yet offer specimens" to any pulp der. The latest dodge in this li eing enacted, the white-necked repretending to "expose" the naked truth to a congregation who never, perhat would think of visiting such a place wer their attention not called to it by a paor, who may have been subsidized by hrewd theatrical manager.

On another subject, somewhat kindres the above, the same correspondent dis Total depravity crops out in this big city in all sorts of shapes and hues. I is not always confined to the unlettered and untutored, and the following i dent will prove it: There is an old uployed in the costombor on a salary of \$3000 a year. ing that the son should receive half th lary. This was agreed to, and for ov s earned, which request this di

on refused to accede to, groffly telling world man" if he didn't want the place there were plenty who would be clad of it on the same terms! This, peraps, would be a fair case for the cor Napoleon as an Author. peror's slips of a new work in has

ig the emperor and his son. He writes The emperor is a most par joular and thoroughly practical reader this way will not allow his spelling, accentuation time to be interfered with in Ilast. Every scrap of his copy is car illy preserved, I believe, for returning slittle prince is a capital compositor sther. I hear he has everything of th hogany, a small imposing surface of state, the frame of which incloses a nes esties, full yard wise, speeding wonder if his royal parent does not o omething of the practical departu to the best title setter in the business. The emperor seems to be found of the old face style of type in all his fanci!

> secolth that many earnest loyalists are fearful of the railfication of the amend-ment by the south. Examest loyalists in the south, on the other hand, fear that the amendment will not be adopted; and a great many very resp ctable loyal-ists there, who do not raise tout profes-sions of earnestness, Yould like to know whether the amendment is offered in Constitutionalist inquires with some car-nestness what the north really wants, and precede to say:
> "Does she want the south to adopt the
